

March 12, 2020

Dear Collaborative Partners:

Due to new protocols regarding COVID-19 I feel it necessary to cancel the March 25th, 2020 Governing Board meeting for the Bakersfield-Kern Regional Homeless Collaborative.

Any business that needs to be conducted prior to this meeting or before the April 25th meeting can be sent to me for review and then I will put it out to a governing board vote via email.

If you have any questions, please let me know at the email and/or number listed below.

Thank you for your time and consideration regarding this important community issue.

Very Respectfully,

Deborah Johnson
